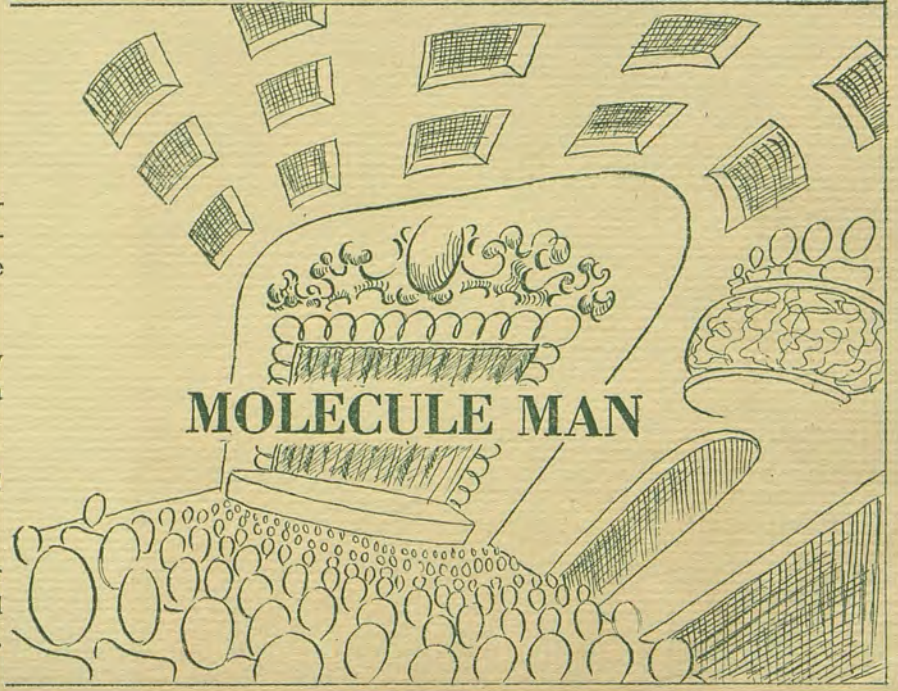
★ Scotch 'n Soda Club invites you to attend its 1949 stage production, MOLECULE MAN—an exciting change of pace in college musicals.

★ A cast of over 100 presents a witty satire on comic book writers, against a background of sparkling music.

★ It's something new — and different! Don't miss it!


★ Mail the attached order blank now for reserved seats in the Carnegie Music Hall for one of the two evening performances.
