Serving the Pittsburgh Area
over 20 years

We hope you enjoy this year's scotch 'n' soda production, Something Feudal - a musical travesty. A scotch 'n' soda show is not created overnight. Many people have been involved with this year's show since early this past october. These are the people you rarely see - the many administrators and designers. Without these people there would be no production. The Board would like to take this opportunity to thank all those who have been involved this year.
